III. RIGHTS OF THE DATA SUBJECT UNDER REGULATION 2018/1725

15:00 Transparsity of processing

- Right to information
- Right access to data
- Rectification and erasure

Objective

The seminar aims to provide legal practitioners and data protection specialists with the necessary guidance on how to apply the revised Regulation 45/2001 on data protection in the European institutions, bodies, agencies and offices in practice. It will offer an opportunity to discuss with key legal experts the novelties and issues at stake.

Who should attend?

HR officers from the EU institutions, data protection and IT lawyers, data protection officers, compliance and information officers

You will learn...

- what changes will result from Regulation 2018/1725
- which new data protection principles are to be applied
- which obligations are imposed on European institutions as data controllers or processors
- which rights are awarded to data subjects
- what is the role of EDPS in the new data protection landscape and what new tools does it have to ensure data protection compliance
